Gentlemen: Your

favor of last month duly to  
hand. Glad to know that you  
~~were~~ my former customers and  
to hear of your success in busi-  
ness. I intend to take up coins  
again after I get into my  
new quarters after May 1st. C.  
S. Wilcox (who was my successor  
in 1887) wants U. S. coins and it  
may be well for you to send  
him a list of dollars, halves &c  
which you have in stock. I will  
advise you of my new address,  
as soon as I locate it.

Very truly yours J. A. Pierce

P.S. I have a good many  
calls for Confederate and  
other paper money.

Gentlemen: If you wish to send me a small assortment of U. S. cents and half cents on approval, some of the rare dates, but those worth 25cts or less and some old state and confederate paper money you may do so. Calls are increasing, and as long as I intend going into it in my new office I may as well start in now. Expect to send you frequent orders later on. I will visit you in summer.

Very Truly Yours  
J. A. Pierce
